

Ewing Christian College, Allahabad

(An Autonomous Constituent College of Allahabad University)

For the session 2011-12

Name of the Institution: Ewing Christian College, Allahabad

Year of Report: 2011-12

Section A: Plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement

The Internal Quality Assurance Cell in its meeting held on 21st May, 2011 formulated guidelines for the implementation of the two major projects i.e the e_Governance System and the e_learning mechanism in the College. The impetus was on providing techno savvy environment within the campus and to promote paper less working in the administrative unit with lesser man hours being involved.

Section B: Details in respect of the following

1. Activities reflecting the goals and objectives of the institution

- (a) Classes for **Moral and Religious Education programme** that includes Moral and Religious education and chapel activities were held at 9:00 am in Tooker Hall, by Dr. M. Barnabas and Mr. P.K. Solomon. A large number of students attended these classes from 16th Aug. 2011 to 30th Jan. 2012. The annual examination of MRE was held on 31st Jan. 2012.
- (b) **Chapel Activities** : Each working day of the college started with a short time of prayer and devotion in the college chapel from 9:45 am to 10:00 am. The praise and worship service of the session was held on 8th July 2011. Rev. A. Khandelwal shared the word of God on 8th and 9th July 2011. Many staff members and a large number of students attended the chapel regularly and were blessed by the word of God. The chapel services were conducted by the Christian staff members. A special prayer service was held on 21st Oct 2011 for all the students appearing in the half yearly examination. Christmas function was held on 18th Dec. 2011 in the Tooker Hall. A special Christmas programme for the students was organised on 21st Dec. 2011 at 2:00 p.m. in the Tooker Hall. SCM Pakhawara was observed from 16th Jan. to 31st Jan. 2012. A special Thanking-giving service followed by Holy Communion was held on 6th March. 2012 at 9:00 a.m. in the college chapel. Rev. A. Khandelwal shared the word of God,

conducted the Holy Communion and offered special prayers for all the students appearing in the final examination.

- (c) **NCC activities :** (i) **CATC camp**- SW cadets won the drill trophy and the participants were Nidhi Upadhyay, Saumya, Utkarsha, Ankita, Anukriti, Meenakshi, Pooja, Rupali, Pooja Mishra and Navita. Winners of cultural event were Ankita, Meenakshi and Shradhanjali. (ii) **Pre-Nausainik Camp**-. Health and hygiene gold medal was won by Avinash Pandey, Best cadet silver medal was won by Jessica Anand; Semaphore gold medal was won by Jarvendra Shekhar; Firing silver medal was won by Jessica Anand; ship modelling gold medal by Alka, Poonam, Dhanajay and Rakesh Sharma. (iii) **Nausainik Camp**- At Vishakapatnam. Cadets Ras Behari, Tarvendra, Anoop Shukla, Gargi, Jessica Anand, Dhananjay, Viyay, Lalit and Shakuntalas. Lalit bagged bronze medal in ship modelling and Jessica Anand got gold medal in Firing event. (iv) **PRE - R.D. Camp** – The cadets participated in Ship Modelling and gold medal was won by Rohit Jaiswal and Rakesh Sharma. (v) **Republic Day Camp**- Two cadets - Rohit Jaiswal and Ritesh, were selected and they won gold and silver medals for modelling event. (vi) **Ship Attachment and Sea Training Camps**. Dhananjay and Anoop Shukla participated in Ship Attachment Camp and were attached to INS BEAS. Lalit Mohan was nominated for Sea Training Camp in Mumbai.
- (d) National Social Service camp with the theme right to vote was conducted from 21st January to 27th January 2012 at Kernel Academy, George Town Allahabad. The camp started with the inauguration ceremony on 21 January in the presence of Prof. Umakant Yadav, Co-ordinator, Allahabad University, Principal, Dr. M. Massey, Vice Principal, Dr. T. D'souza and Bursar, Dr. L.C.T. Eusebius. Various cultural programmes were also held. Each day was enriched by the lectures of distinguished guest speakers - Dr. Subodh Jain cardiologist, Dr. Archana Pandey, Dr. Ajin Ray, Dr. A.K. Pandey, Miss Ranjana Nigam, Dr. Mukesh Pati and Dr. T. Abraham. Various activities undertaken were; right to vote awareness rally from the college through the streets of the city. "Ganga Bacho Aandolan' at Sangam was held, besides visit to the Jamuna patti Malin basti. Debate, Speech, Nukkar Natak, flower decoration competition, dance competition and song competition was also held. Closing ceremony was held on 27 January at Jamuna Christian College, Allahabad in the presence of Dr. T. D'souza, Dr. S.S. Tripathi, and Mr. Bothaju. Principal, Jamuna Christian Inter College, Allahabad. All the dignitaries blessed the students and gave away the certificates. Rajiv Gandhi Pakhwara was held in the month of August, 2011 where N.S.S. volunteers participated in various programmes. The prestigious Vigyan Jyoti from the India Science Congress was received in the college by Principal, Dr. M. Massey in presence of Prof. U.K. Yadav, Prof. A.K. Srivastava, Prof. Tewari and the programme officers of the college.
- (e) Environment Awareness Certificate Programme started in August to make the Part I students aware of the environment and its various parameters. Regular

classes were held from 8:00 am to 9:30 am from Wednesday to Saturday in Tooker Hall. The students are allotted projects which they have to submit and marks are allotted for it, besides this practical classes are undertaken by taking the students to the Jamuna river to conduct pollution test and study the various parameters of ecosystem and biodiversity. Various competitions are held throughout the year like chart competition, slogan competition, rangoli, flower decoration and skit, AIDS awareness rally and awareness rally regarding HINI virus (swine flu) are taken out from time to time from the college. More than 1300 students appear in final examination. According to the UGC norms 50 objective questions and 5 long questions are given. The question paper is bilingual and is for a period of one hour.

- (f) The registration of NSS volunteers started in the month of August, 2011 and completed with 91 students in the current session. The activities started with the campus cleaning of the college along with cleaning of old photographs in Eastern-Gallery of the Department of Physics, ECC, Allahabad. The Sadbhawana Pakhawara from 20th August, 2011 to 5th September, 2011 was celebrated to mark the birthday of late Prime- Minister Rajiv Gandhi. On this occasion the speakers emphasised the need of self respect, social service & computer literacy. Dr. Vivek Nigam, Sri P.P. Singh, Dr. Shiv Bhanu Singh were prominent speakers on various occasions. Dr. M. Massey dwelled on the concept of peace & harmony & the different types of social service. He referred to the book of George Gammous in which negative infinity & positive infinity coincide at a point. He emphasised on the blessings of God in the form of light. Referring to the Bible's first chapter, he said, "Human is the greatest creation of God on earth" Various programmes like Ekta Day, AIDS day & pulse polio were organised throughout the year. Dr. Ram Prakash Singh, Associate Professor of Mathematics and president of the AUCTA delivered the inaugural lecture of the week long programme from 14th Dec. 2011 to 21st Dec. 2011. He also gave a detailed account of the 2G-SCAM. Competitive programmes i.e. Debate, Quiz, Elocution, paragraph Writing, National song & poem were organized. Dr. Singh appealed to the NSS volunteers to follow the principles & ideals of Gandhi Ji & Swami Vivekanand's life. On the occasion, prizes & certificates were also distributed to the participating volunteers. The winners were Mr. Harsh Srivastava, Adity Kr. Mishra, Pranay Tripathi, Ankur Jaiswal, Nitesh Shukla, Vipul Singh, Lalit Krishna Pandey, Md. Zeeshan, Gaurav Kesharwani, Prakhar Srivastava, Sajale Jaiswal, Rahul Shukla, Dhananjay Pandey, Keshav P. Singh. The seven day special camp was organized on Triveni Road, Magh Mela during 1st Feb. to 7th Feb. 2012.
- (g) In the Department of Physics Dr. K.P. Eappen, Retd Scientist, BARC, Mumbai, delivered a lecture on "Radan Radiation" on 20th July, 2011. Mr. Vivek Kumar Singh, Scientist, IITM, Pune delivered a lecture on "Atmospheric Changes in India" on 20th September, 2011. Mr. Prem Prakash Singh, Scientist, IISc. Bangalore delivered a lecture on "Ion Beam Implantation on Cantilever at Nano Scale" on 20th Oct, 2011. Prof. C.M. Bhandari, Retd. Dept. of Physics, AU, Alld.

delivered a lecture on “science communication” on 10th Dec. 2011. National Graduate Physics Examination (NGPE), was organized by IAPT, Pune on 23th Jan. 2012. 16 students were selected as top 10% in the National Graduate Physics Examination 2012.

2. New academic programmes initiated (UG and PG)

- (a) **Certificate Course:** UGC Sponsored Certificate Course entitled “*Analytical Techniques in Chemical Analysis*” was started by the department under the ‘Career Oriented Scheme’ of UGC, New Delhi. Twenty students were enrolled for the said course in which experiments on synthetic and real samples were conducted by the students and they were provided an opportunity to get hands-on experience of UV-Vis Spectrophotometer, Flame Photometer, Colorimeter and other additional supporting equipments beside giving them theoretical knowledge. This course has provided an opportunity to the students in enhancing their own market-worth. The course has also proved vital to students in getting admissions in M.Sc. Instrumentation Chemistry, M.Sc. Analytical Chemistry and such applied courses in various universities and colleges in India.
- (b) Department of Chemistry launched a new Short-Term Course entitled “**Mathematics for Chemists**”. This course aims to provide help to the biology students who have opted Chemistry as one of the subjects in B.Sc III. This course is being run with the collaboration of the teachers of the department of mathematics of E.C.C .

3. Innovations in curricular design and transaction

- (a) One month training on Project development using **VB .NET** was organized for B. Sc Part III from Dec 2011 to Jan 2012. Experts from Microsoft Corporation delivered a talk in January 2012 relating to world wide competition to be held on Microsoft Office, Institute of Computer Science & Development (ICSD), a renowned IT Organization, conducted a workshop on ‘**PHP & Linux**’ and conducted an online examination on 13th January 2012. First, Second and Third position holders were awarded with Laptop, Mobile and Pen Drives respectively.
- (b) A round the year **Computer Awareness Programme** was conducted for the students of **B.A. /B. Sc. Part – III 2011-20112 batch**. A 36 hrs Training Programme was conducted for the students of B.Ed. 2011-12 batch, from 23rd November 2011, which focused on ‘**Use of Computers as a Teaching Methodology and Aid.**’ A 16 hrs. **Training Programme** was conducted for the students of **Biological Techniques & Specimen Preparation**, which focused on ‘**Use of Computers, Internet, Spectrometer and Image Processing.**’ A 26 hrs. **Practical Training** was organized for the students of **B.Sc. Electronics Part – III** on ‘**C**’ Programming Language.
- (c) This year the Chemistry Department also started consultancy services. Many M.Tech students from SHIATS and Ph.D. student from MNNIT visited the

instrumentation Laboratory of Chemistry Department for analysis of samples and interpretation of data. UV-Vis spectrophotometer, calorimeter, conductometer, etc. were used by the students and data were obtained. The research activity conducted in the department by them will be acknowledged in the research papers and also in the thesis published by the concerned students. We wish to extend this consultancy services as extension activity of the department and make it a regular feature. The department has also generated a small some of income.

4. Total number of seminars/workshops conducted

National conference on ‘Chemistry : Role and Challenges’ was organised in the College, Prof. Singh, Vice Chancellor, University of Allahabad stressed on the need for quality and high-end researches. Principal, ECC and chairperson of the conference Dr. M. Massey appreciated the efforts of the department of Chemistry. Director, National Centre for Nanoscience and Nanotechnology, Mumbai. Prof. S. Sundar Manoharan, who was the chief guest, spoke on ‘Chemistry of metal-organic precursors for photonic materials and devices.’.

Department of Ancient History, Culture and Archaeology like previous years organised the Prof. J.S. Negi Memorial lecture on 18 November 2011 in the Conference Hall of the department. Dr. Rajesh Purohit, Director, Allahabad Museum delivered a lecture on ‘River and Civilization - Past, Present and Future’. In this lecture he delineated on the various channels of the lost river Saraswati and various archaeological sites particularly of Haryana region. On this occasion Prof Hari Narayan Dubey of Allahabad University was the Chief Guest and Mr. T. D.Souza presided over the function. In the beginning Dr. B.C. Shukla introduced the speaker and chief guest to the audience. Dr. J.P. Upadhyaya conducted the proceedings and Dr. Shivangi Rao proposed a vote of thanks. The next important lecture was delivered by Prof. R.P. Tripathi, Dept. of Ancient History, University of Allahabad on February 2012 in the Tooker Hall of the college, In his lecture Professor Tripathi elaborately highlighted various ideologies which were instrumental in History writing. He analysed in detail the merits and demerits of these trends. The lecture was presided over by the principal of the college, Dr. Mervin Massey. Dr. B.C. Shukla, Head of the Department, welcomed and introduced the topic to the audience. Dr. J.P. Upadhyaya conducted the proceedings and Dr. Shivangi Rao proposed a vote of Thanks.

One Day Seminar: Fifth year in succession, the Department of Chemistry conducted the One Day Seminar for students. The specialty of this seminar is that it is organized by the students of Ewing Christian College for the students of Ewing Christian College and other degree colleges and universities. This year being the ‘International Year of Chemistry’, we decided to keep the theme Valedictory session Prof. A.K Bakhshi, the Vice Chancellor of UPRTOU was the Chief Guest and Dr. Rajesh Purohit, Director of Allahabad Museum was the Guest of Honour.

Department of Chemistry conducted the One Day Seminar for students titled **“Chemistry in the development of Mankind”**. The specialty of this seminar is that it is **organized by the students of Ewing Christian College for the students of Ewing Christian College and other degree colleges and universities**. This year being the ‘International Year of Chemistry’, we decided to keep the theme of the seminar in line with the theme proposed by United Nations, hence the theme **“Chemistry in the development of Mankind”**. About 235 students from various colleges and universities participated. About 60 review articles were submitted by students. In all four technical sessions were conducted and 5 articles in each session were presented. Best presenter in each session was adjudged by the judges and they were awarded with a certificate of merit. Prof. A.C. Pandey, Coordinator, Nanoscience Application Center, University of Allahabad was the Chief Guest and also delivered the key note address. Prof. A. K. Srivastava, Head, Department of Chemistry, University of Allahabad was the Special Guest and Dr. M. Massey, Principal, Ewing Christian College was the Chairman of the seminar.

Department of Economics, Ewing Christian College, organized a **Two Day National Seminar on March 11 & 12, 2012**. The theme of the seminar was **“Natural Resources, Economic Development and the Environment”**. The Seminar was sponsored by **University Grants Commission, New Delhi**. In the Inaugural Session **Prof. Ravi Shankar Srivastava, C.S.R.D., J.N.U., New Delhi** graced the occasion as **Chief Guest** and delivered the **Keynote address**. He said that thrust should be on equitable development keeping in mind the carrying capacity of the earth. He proposed that the country needs a National Policy framework governing the use of natural resources-sector and economy. A strong land acquisition and rehabilitation policy and a strong and sensible civil society response is an urgent need of the hour.

Sri Ashok Bhagat, Social Worker & Secretary, Vikash Bharti Sodh & Adhyayan Sansthan, Ranchi, Jharkhand presided over the session. He said that lack of equitable system and inappropriate distribution in our society is one of the main causes of hampered development in India. He laid stress on the development of the villages where the real India abides. He said that every environmental issue and problem has a solution but the so-called progressive society does not agree to abide by and implement the solution. **Prof. Jagdish Narayan, Head, Dept. of Economics, A.U., Allahabad** was **Guest of Honour** on this occasion. He said that planning process should be such that the exploitation of natural resources judicious should be done in a manner. The proper coordination of policies is a must for suitable utilization of natural resources which are limited and scarce. **Dr. M. Massey, Principal & Patron**, highlighted the various achievements of the college. He said that the college had started as a PG college and research centre in 1902, and has grown from strength to strength. He highlighted a few areas in which the department of Economics has contributed to the overall growth of academics at university and city level. He said that the college is moving in the right direction to achieve academic excellence. **Dr. Umesh Pratap Singh, convener** of the seminar, presented the theme paper. He said that till now development has been at the cost of the environment. Since natural resources are limited, development has to be kept in mind. It’s high time to now realize that the future of the planet earth is now in our hands and we have to act judiciously keeping in mind the future of our generations. He

said that the solution to this overuse of natural resources can be found in the ancient civilizations of the world where intelligent and judicious use of natural resources is always taken into consideration. He also laid stress on the ancient Indian & Gandhian way of thinking and living for sustainable development.

5. Ongoing Research projects

<i>Date of Initiation</i>	Name of the Project		Name of the Funding Agency	Total Grant Received
<i>Date</i>	Title	Principal Investigator and Department		
26/02/2008	“Phytochemical investigation ... medicine”	Dr. Vivek Bhadauria Department of Chemistry	UGC, New Delhi	Rs. 55,000/-
05/01/2009	“Mathematical formulation ofBiomolecules”	Dr. Anjani Kumar Singh Department of Physics	UGC, New Delhi	Rs. 40,000/-
18/03/2010	“Impact Of Government Policy Measures On Fruits And Vegetables based Food Processing”	Dr. Umesh Pratap Singh Department of Economics	UGC, New Delhi	Rs. 87,500
18/03/2010	“Samkaleen Kahani Me Mulya Santaran”	Dr. Rajesh Kumar Garg Department of Hindi	UGC, New Delhi	Rs. 75,000/-
01/02/2011	“Ecological and Ethnobotanical Studies of an Endemic and critically rare Indian species <i>Cycas beddomei</i> Thiselton Dyer for its effective conservation”	Dr. Pradeep Chandra Srivastava Department of Botany	UGC, New Delhi	Rs. 1,40,000/-
07/01/2011	Nano-particles with special reference to their stimulatory actions on living cells and hormones”	Dr. Sharda Sundaram Sanjay Department of Chemistry	UGC, New Delhi	Rs. 1,73,500/-

6. Research grants received from various agencies

Date	Granted to	Agency	Amount
25-08-2011	Dr. Anil Kumar Singh	UGC	169002
30-08-2011	Dr. Sheetla Prasad	UGC	175360
23-11-2011	Dr. S. B. Singh	Indian Council of Philosophical Research	10000
23-11-2011	Dr. Sheetla Prasad	UGC	35729

7. Community services

Aids Awareness Campaign

Cleanliness Drive

Blood Donation Camp

8. Teaching / Non-teaching staff ratio : 1.17 : 1

9. Improvements in the library services

As it was not possible to build a new library due to restrictions placed by the Allahabad Development Authority, the college took decision to remodel the old library in such a way that the floor area gets doubled. This was achieved by construction of mezzanine floors in the old library building which has now been fully furnished and endowed. Apart from the sitting space for around 200 students, Open Shelf System has been introduced. An e-library with 20 systems has been added where the students can avail internet facility any time. Photocopying and printing facilities have been provided and more than one lakh e-books and 3000 journals are also provided through N-LIST programme

10. New books/journals subscribed and their value : Rs.43882.50

11. Unit cost of education : Rs.36133.08

12. Computerization of administration and the process of admissions and examination results, issue of certificates

The Computerization of administration include implementation of the following softwares :

- a. Student Management System : Computerization of Student Fee, Attendance, Profile, Result Analysis etc.
- b. Examination Management System
- c. Intranet Website : For dissemination of e_governance and e_learning material

13. Increase in the infrastructural facilities

Campus wide Wifi Connectivity has been completed.
Installation of a Server Room.

An entire floor in the Department of Physics has been constructed to accommodate the Centre for Computer Sciences, which has been equipped with one “State of the Art **e-Library**” equipped with over 130 computers with Internet facility for students.

14. Technology up-gradation

The smoothness in functioning is further attributed to the role of Information and Communication Technology (ICT), which has long been successfully implemented in all the processes that are academic or administrative with computerization of Registrar’s Office, Accounts Office, Examination Office and Library, efficiency in operations have increased manifold. To achieve this end, a State-of-art Server Room has been established in the Administrative Block and is made operational under the control of the Computation and Documentation Centre. For seamless connectivity a very strong wi-fi environment has been created covering every nook and crevice of the campus extending up to the classrooms. Another landmark that has been achieved this year is that all the departments are now connected with the college server, enabling the departments to access student records and staff records from their departmental desktops, using the Student Management System and the Staff Management System, specifically designed from the college.

15. Computer and internet access and training to teachers, non-teaching staff and students

Training Programmes:

The Centre for Computer Sciences, Ewing Christian College is engaged in conducting several special training programmes for different departments of the College. A brief look at such activities is as below:

1. A round the year **Computer Awareness Programme** was conducted for the students of **B.A. /B. Sc. Part – III 2011-2012 batch.**
2. A 36 hrs Training Programme was conducted for the students of B.Ed. 2011-12 batch, from 23rd November 2011, which focused on ‘**Use of Computers as a Teaching Methodology and Aid.**’
3. A **16 hrs. Training Programme** was conducted for the students of **Biological Techniques & Specimen Preparation**, which focused on ‘**Use of Computers, Internet, Spectrometer and Image Processing.**’
4. A **26 hrs. Practical Training** was organized for the students of **B.Sc. Electronics Part – III** on ‘**C’ Programming Language.**

Computing Facilities:

In the process of initiating marketable stuff, the Centre has acquired advanced training techniques & tools, which are also being made available to our students and trainees.

1. Lectures and Practical demonstrations are delivered using Multimedia Projectors & OHP's. Both the classrooms are equipped with multimedia projectors and OHP's.
2. Both the labs also have **Multimedia Projectors**. The number of computer systems have increased from **132** to **157**, with **newly purchased 25 nos HCL Computer Systems** with the following configuration: Dual Core, 2GB RAM, 320 GB Hard Disk, 18.5" TFT Monitor, Key Board, Mouse & DVD Writer. The Centre is also equipped with one **full fledged HCL Server** backed by **five online-UPS**.
3. Computer Based Tutorials (CBTs) are also used for demonstration of difficult topics in the software labs.
4. The department is already using BSNL Broadband (2Mbps) connectivity for Internet, as it has become a major source of information in the present scenario. All 157 systems are facilitated with Internet facility.

16. **Financial aid to students** : Rs. 551010.00

17. Performance in sports activities

The Department of Physical Education, conducted team selection and various tournaments for the college students and the following students/teams were adjudged the best players/teams.

Chess	(M) Vipin Kumar Gautam	B.Sc. III
	(W) Himanshi Pandey	B.Sc.I
Table Tennis (singles)	(M) Prashant Tripathi	B.A. I
Table Tennis (doubles)	(M) Prashant Tripathi	B.A. I
	Jitendra Kr. Kesarwani	B.Sc. II
Carrom (singles)	(M) Rahul Srivastava	B.Sc. III
	(W) Vijay Laxmi Solanki	B.A. III
Carrom (doubles)	(M) Rahul Srivastava	B.Sc. III
	Vipin Kumar Gautam	B.Sc. III
	(W) Vijay Laxmi Solanki	B.A. III
	Shraddha Singh	B.A. III
Badminton (singles)	(M) T. Ongha Phom	B.A. I
	(W) Priya Pandey	B.Sc. III
Badminton (doubles)	(M) T. Ongha Phom	B.A. I
	Prashant Tripathi	B.A. I
	(W) Priya Pandey	B.Sc. III
	Pinki Yadav	B.A. III
Basketball (Men)	Lokesh Tripathi's Team - B.A. Group	
Basketball (Women)	Sana Farheen's Team - B.Sc. Group	
Football	Sujeet Kr. Sonkar's Team - B.A. Group	
Cricket	Vishal Kumar's Team - B.A. Group	

ANNUAL SPORTS :

Annual Athletic Meet was held from 8th to 11th February 2012. The meet was inaugurated by the **Chief Guest, Mr. D.K. Rathore, Dronacharya Awardee, Gymnastic Coach.** The Guest of Honour was **Rev. Rajesh Joseph** & the guests were **Mr. Eric Peoples**, President Allahabad District Athletic Association & **Mr. Ram Kumar**, Secretary Allahabad District Veterans Athletic Association. Events were conducted for the students and staff of our college who participated with a true sense of sportsmanship. **Mr. Vishal Kumar** B.A. III with 18 points & **Miss Chandrakala Pandey**, B.Sc. II with 20 points were adjudged the best athletes. The team championship for men went to B.A. & B.Sc. III with 62 points and the team championship for women went to B.A. & B.Sc. II with 45 points. The various prizes in different categories were distributed by the Principal, Guests and Staff of our college.

EXTRAMURAL COMPETITIONS

Our players participated in various competitions within as well as outside the district and their performance was commendable.

Our Sports Stars :

1. Lokesh Tripathi	B.A. III	Basketball (All India North Zone)
2. Swarn Kumar Yadav	B.Sc. II	Basketball (All India North Zone)
3. Ahraz Ahmad	B.A. I	Cricket (All India North Zone)
4. Mohammad Sabir	B.Sc. III	Squash (All India Inter University)
5. Ravi Kumar Sodhiya	B.A. III	Football (All India North Zone)
6. Sujeet Kumar Sonkar	B.A. III	Football (All India North Zone)
7. Amit Kumar Singh	B.A. II	Football (All India North Zone)
8. Sumit Kumar Nishad	B.A. II	Football (All India North Zone)
9. Mohammad Sheran Ayubi	B.A. I	Football (All India North Zone)
10. Mohammad Zafaruddin	B.A. I	Football (All India North Zone)
11. Ritch Patel	B.A. I	Football (All India North Zone)
12. Ravi Kumar	B.A. I	Football (All India North Zone)
13. T. Ongha Phom	B.A. I	Badminton (Inter State Open)
14. Prashant Tripathi	B.A. I	Table Tennis (All India North Zone)

18. Placement services provided to students

- A Placement drive at ECC Campus was conducted by Elite Technology, Lucknow on 8th and 9th August 2011
- Mega Job Fair “AASHAYEIN” organized in collaboration with Ladder & Snake Management Solution on 30th Nov and 1st Dec 2012 in Saroj Institute of Technology and Management, 12th Kilometer Stone, Lucknow - Sultanpur Highway, Lucknow

- (c) Perfect Relations to you, South Asia's premier communications consultancy, addressed students and introduced them to a brave new set of career choices especially in PR and communications. This workshop was ideally intended for final year undergraduate students from any discipline. This session was to enable the students to familiarize themselves with the "Science of Image Management – the challenges of Image building in a high sensitivity media environment."
- (d) A Japanese Company manufacturing ink, having its plant at Bhiwadi-Rajasthan (45 kms from Gurgaon at Delhi-Jaipur Highway) had been looking forward to recruit B.Sc. (BZC and PCM) pass-outs (Academic Session 2010-2011) as "Trainee Operators" at a salary of Rs. 9000 per month plus Bonus, for a period of one year, after which their services would be confirmed as "Operators".
- (e) Recruitment Drive in infosys on 5th February 2011 for all final year B.Sc. and B.A. students at Ghosh Auditorium, Science Faculty, University of Allahabad.
- (f) Campus recruitment for B.Sc. (final year) students of P.C.M. group by A.C.C. cement.

19. Development programmes for non-teaching staff

The College is actively engaged in enhancing the quality of human resources of the College. At present the College is facing problems relating to fresh recruitments due to the new structure of the University under its Central status. Hence the college has initiated various staff training programs for the non teaching staff in the areas of computerized system, accountancy and other administrative scenario relating to online operation of the administrative affairs.

20. Action Taken Report on the AQAR of the previous year

The College took a lead step in introducing PG Courses as suggested by various Committees that inspected the college under different schemes of the UGC. The Committees include Committee for NAAC, Extension of Autonomy, award of the CPE status to the college etc. The College completed all the formalities relating to the introduction of new courses as per the Guidelines for Autonomous Colleges as given by the UGC and the Entrance Test for the admission to new courses were successfully conducted. However the non recognition of the UGC Guidelines by the Ordinance of the University put unmanageable hurdles in the way of the growth of the College . The matter is lying pending in the Allahabad High Court and the college is eagerly waiting for a favorable decision.

Section C: Outcomes achieved by the end of the year

The College has developed the following infrastructure for the launch of the e_learning system inside the College :

- a. A fully dedicated Content Collection Centre for the Collection and Development of e_content
- b. A Media Centre with facilities of Lecture Recording, mixing and preparation of video CD's

- c. A Centralized server with facilities of campus wide dissemination of the e_learning material.
- d. Fully Operational TV sets on strategic points for Centralized telecast of video lectures.

The College has developed the following softwares as a part of the e_Governance system.

- a. Student Management System
- b. Examination Management System
- c. Library Management System

Section D: Plans of the HEI for the next year

The College is eagerly awaiting for the decision of the High Court regarding the launch of the PG Programs in the College. The College plans to launch itself as a research centre and a place of excellence for which the launch of PG Programs is a must. The College has fully developed infrastructure for the development and dissemination of e_learning material in the college. The College aims to start the Content Collection and Development from the coming session. The College also aims to complete its e_governance project by the coming session.
