Inaugural of the facility to view the telecast of SWAYAM PRABHA at Ewing Christian College

Facility for viewing SWAYAM PRABHA channels has been made operational at the Electronics Department of Ewing Christian College. SWAYAM PRABHA is a group of 32 DTH channels devoted to telecast high-quality educational programmes. Students of the department can choose the time of their convenience to view the channels. These DTH Channels cover the curriculum-based course contents at post-graduate and under-graduate level spread over diverse disciplines. This unique initiative of Content Collection Centre of the college was inaugurated by Dr. A. S. Moses, Principal and Dr. L.C.T. Eusebius, Bursar of the College on 12th December 2019. Dr. Ashutosh Kumar Shukla, Coordinator, Internal Quality Assurance Cell (IQAC) emphasized the continuous efforts of IQAC to facilitate the creation of a learner-centric environment conducive to quality education. Dr. Shukla mentioned that Content Collection Centre of the college is ready to offer need based consultancy to other departments/institutes related with e-content collection, validation and dissemination. Faculty members from different departments and IQAC members were present on this occasion. Dr. Anil Kumar Singh, Coordinator of Electronics Department proposed the vote of thanks.
